Aug: \$449
Oct, Jan, April:
\$659 each

Pay by the year: \$2242 SAVE \$184

Dance Card

\$90

Good for 6 attendances. Expires 6-months after first attendance. Not available for full-year classes. Great for adults and drop-ins!

2019-2020 Tuition is paid in 4 installments. See below or call/email if you have questions!

WITHDRAWAL

If withdrawal from the studio is wished to be made, a 60-day written (note or e-mail) notice to the Director (verbal withdrawals are not accepted) must be given before withdrawing during the school term, and tuition will continue to be due until the end of the 60-day notice. Simply stopping attendance to class does not constitute withdrawal from the studio, and the dancer is still considered enrolled and tuition continues to be due until written 60-day notice is given to the Director from the person(s) responsible for the account payments.

ENROLLMENT GROUPS

Dancers enrolled in classes may attend level below or above at no extra charge for technique improvement/development, but are not considered performing members of the extra groups, unless parents wish them to be, and additional discounted tuition will apply. Students enrolled in forms other than Ballet (specialty classes) count each class as one enrollment group under the fee schedule breakdowns. Enrollment Group means the class you are registered in, as your weekly (or more) attendance day(s)/time(s).

If you attend additional classes that you are not an official or regular member of, those additional classes are not your enrollment group. Remember you are invited to attend additional classes in the same, below, or above levels within your dance form at no extra charge – a unique offering by The Madison Studio of Dance.

RECITAL FEES

Due with registration/enrollment.

Includes costuming and 2 tickets to the production (4 if more than one dancer in immediate family is enrolled). Costumes are automatically ordered for you unless you pre-inform the Director by December 1, 2019, that your dancer will not be participating in the 2020 annual recital. Costumes will not be ordered for your dancer unless recital fees are paid in full. Once the costumes are ordered the fee is non-refundable.

**Pre-Dance through Level 3/4 - \$99 each

***Level 4B through Level 8, Specialty classes - \$125 each

**For a student enrolled in two groups - \$197.

**For a student enrolled in more than two groups, add \$95 per additional group.

FINE PRINT

Registration is on a semester and/or years basis because lesson plans and choreography are planned on the class members of each particular group. Each class is a team and each individual learns for one's self by working with others. Students may and are encouraged to attend more than one class per week in the same dance form in the corresponding level, above, or below, as her/his own at no extra charge, (some exceptions apply, for example, if the parent wishes the dancer to perform and be a regular member of each group, or if the higher-level group is not suggested for an individual student at director/teacher discretion). Dance tuition cost is a YEARLY FEE, which is divided and paid in four installments due on the first class lesson of the following months: August, October, January, and April, or may be paid in one full installment before August 31, 2019 (more heavily discounted). The fees at left reflect discounts for multiple classes and family members. Call/email for more details. You have until the third lesson of August, October, January, and April to pay the installment; if payment has not been received by that time, a statement is prepared and a \$25.00 late fee monthly is added to the account balance. Only past-due statements are sent, via e-mail. Please make note on your calendar of the above due dates – statements are not sent unless the account is in arrears. Checks should be made payable to "MSDE". Money orders or cash are also accepted. We now accept credit and debit cards through Square. Returned check charge (NSF) is \$30.00. Ten (10) Monthly payments, August through May, may also be arranged, with an additional \$5 per payment added for monthly payments. If you request that a check be held to a date beyond the due date, the \$25 late fee will be added for each month. All fees are non-refundable—credit toward future classes only, and non-transferable between students.
